

# Lawn Mower Do's and Don'ts

## **DO!**

Check the oil before operation

Sign the log sheet, enter hours, report problems

Clean the mower after use (Wisk broom)

Fill with gas after use

## **Don't!**

Engage the blades at more than half throttle

Disengage the blades at more than half throttle

Mow at less than full throttle

Remember to:

Treat it like you own it!

(Because you do!!)
